BOOK SYNOPSIS

Nashville-style Hot Chicken is the Music City's claim to culinary fame. Hot Chicken is entrenched in the city's history, but is also fresh enough to contribute to its exploding national popularity as a hip, creative urban scene. Hot Chicken is an addiction, a punishment, and a sweet, spicy salvation to those who've had it. Hot Chicken is action eating: physical, mental, and spiritual all at once. In *The Hot Chicken Cookbook*, Timothy Davis, a southerner and Nashville resident/writer, traces the dish's origins back to the late 1930s at Prince's Hot Chicken Shack, a story of love gone wrong, and follows the trail to its white-hot buzz of today. In addition, he visits the Nashville Hot Chicken Festival, talks chicken with Food Network personality Andrew Zimmern, Southern Foodway Alliance president John T. Edge, and Yo La Tengo's Ira Kaplan, writer of "Return to Hot Chicken." Over two dozen recipes for main dishes and sides from Nashville's finest Hot Chicken restaurants, along with a resource of the national Hot Chicken scene, are also included so the fiery, spicy bird of burn can be masochistically enjoyed at home or on the road.

HOT CHICKEN COOKBOOK THE FIERY HISTORY & RED-HOT RECIPES OF NASHVILLE'S BELOVED BIRD - Are you looking for Ebook *Hot Chicken Cookbook The Fiery History & Red-Hot Recipes Of Nashville's Beloved Bird*?
